# Lapbooks

Lapbooks can be a mom's best friend. Not only are they fun to make, but you create a fun and easy reference book to use for years ahead. Younger siblings can read these lapbooks too! Grandparents and other relatives will enjoy seeing these nifty collections of information, facts, and pictures.

Be sure to read information aloud for the auditory learner while the visual learner reads along. The kinesthetic learner will enjoy cutting and pasting to learn!

## Before You Begin

Please read through the instructions carefully before you begin. Look at the pictures of the finished lapbook so that you know what you are making with your children.

## Gather Your Materials

You don't need a lot of stuff to make a lapbook. It's simple! Just gather up the following materials.

2 or more File Folders (We like the brightly colored ones, but you can use the manila ones.)

Hot Glue Gun or Tacky Glue to Glue Folders Together

Glue Sticks to Paste booklets to the Folders

Scissors for Cutting Out Booklets

A Large Envelope to Store Lapbook

Colored Pencils

A Folder with Pockets to Store Things in Before they are Glued to the Lapbook

## Make the Lapbook

Prepare the lapbook for decorating. Each lapbook will consist of file folders that are put together according to the individual lapbook instructions. You can use plain or colored file folders.

Keep in mind the space your student will have to work with. If he/she has a tiny work area, you might want to glue the folders together later on, but at least fold them where they need to be folded so that he/she knows where to paste booklets.

## Read & Research

There is important information in each lapbook that is easy to understand and fun to read or listen to mom read aloud. Make sure that children understand the readings and ask questions about anything that is confusing.

Some lapbooks require research. In that case, library books make great sources. Please don't use websites only.

I would recommend books for research with websites to supplement. Living books that are interesting and easy to understand are a great choice. My children love books with lots of pictures!

There is space in the lapbook to take notes from research materials, but you can use a notebook to record data too.

### **Cut and Paste the Lapbook**

Have your children cut out the little booklets and fill them in with their neatest handwriting. Color pictures neatly with colored pencils instead of crayons—they make it easier to stay in the lines.

Remind your children to cut with their thumb up. Turn the paper, not the scissors, when you cut around corners. Mom might need to do some cutting if the shape is too difficult.

Glue sticks are great for pasting booklets onto the lapbook. Elmer's or white glue tends to be too wet.

### **Decorate the Lapbook**

Be creative as you decorate your booklets and the lapbook itself. You might want to add stickers, ribbons, or drawings.

Require your child to be neat and careful as they write, draw, color, and paste. Something that is neat and beautiful will be a memory that will be enjoyed by your children in the future and, just maybe, their children too.

Children will enjoy showing off their work if it is neat and artistic too.

**We hope you will enjoy creating this lapbook with your children!**

**For His Glory!**

**Meredith Curtis & Laura Nolette**

# How to Use This Book

This book was created for homeschooling families to use to teach Bible. Each week, there is a Scripture, a booklet, a hands-on fun activity, Scriptures to memorize, and handwriting pages.

We have included Scriptures to memorize for younger children, with a set of Scripture Memory Cards and matching handwriting pages, as well as a set for older children as well. For children who are especially gifted at memorization you might want to have them memorize both sets. You can be copy the back of a handwriting page if you need additional pages for handwriting practice.

## We recommend:

**Day 1 of Each Week:** Read Scripture, say memory verse together, and enjoy the week's lesson.

**Day 2 of Each Week:** Say memory verses together, review lesson, and decorate an age appropriate handwriting page.

**Day 3 of Each Week:** Say memory verses together, review lesson, create booklet, and paste it in the lapbook.

**Day 4 of Each Week:** Say memory verses together, review lesson, and have students copy the scripture verse on their decorated handwriting page.

**Day 5 of Each Week:** Say memory verses together, review lesson, and do Hands-On-Fun activity.

# How to Assemble This Lapbook

In these pages you will find all the cutouts you need to make a creation week lapbook.

To make these lapbooks you will need a printed color copy of this book and two matching file folders per lapbook.

Open each file folder then refold it so that the sides almost meet in the center, just to the left and right of the original fold.

Position the two folders so that the cutouts on the edges of the fold line up. Using Tacky Glue®, a hot glue gun, or similar glue, connect the two folders at the inside matching flaps. This will leave you with two large panels each with an inside left and right flap and outside flaps.

Once the folders are prepared have students color in the Creation Week Title Plate, and the Name Plate. It is much easier to color first before cutting out the shapes. Cut out Creation Week Images as desired and paste them on the front of the folder to decorate it.

Once the front is decorated appropriately, follow the instructions throughout this book and, using a glue stick, paste all your booklets into your Creation Week lapbook.

To close the lapbook, simply fold in the outside flaps toward the center. Fold the center flap to the right and then fold the left panel over the right. This will display the front of the lapbook where the Title Plate and Name Plate are proudly displayed.

## MY CREATION WEEK LAPBOOK

Remember to color pages before cutting them out. This makes it so much easier to color all the way to the edges.

When you color in images that will be cut out, it's ok to go out of the lines because you're going to cut off those areas.

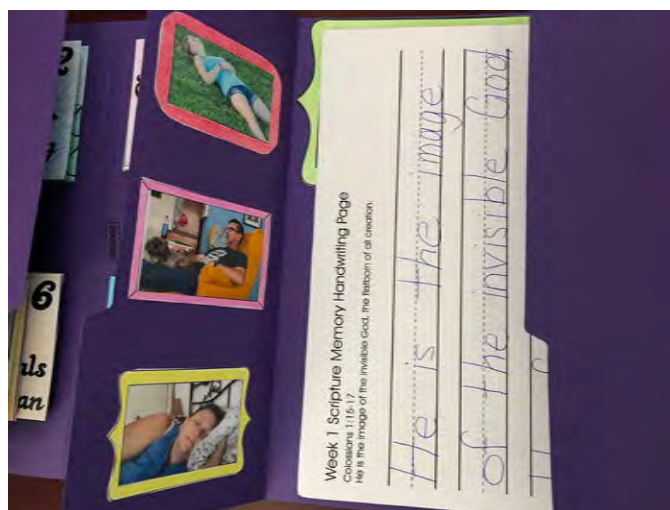

We used a ruler to help fold some of the booklets.

When you have finished putting together the entire lapbook you will have a lovely keepsake which can be used to talk about creation week year after year.

You can tuck the handwriting page into the lapbook.

If you place your booklets and images carefully, you will even have room to paste your scripture memory cards into the lapbook once you have memorized them all.

## Week One: Jesus Decided to Create the World

Jesus was there at Creation. He made the world.

**Colossians 1:15-17**

*He is the image of the invisible God, the firstborn of all creation. For by Him all things were created, both in the heavens and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things have been created through Him and for Him. He is before all things, and in Him all things hold together.*

**Activity:** Make a Cover for your Creation Week Lapbook.

Color and cut out “Creation Week” Title Plate, then paste it on the cover of the lapbook folder.

Creation Week

### Creation Week Images

## MY CREATION WEEK LAPBOOK

Color and cut out Name Plate below, write your name in the center, then paste it on the cover of the lapbook folder.

Cut out Creation Week Images as desired, then paste it on the cover of the lapbook folder.

### Creation Week Images

# Week 1 Scripture Memory Handwriting Page for Younger Students

Colossians 1:15-17

He is the image of the invisible God, the firstborn of all creation.

Handwriting practice lines consisting of solid top and bottom lines with a dashed midline for letter height guidance. The page contains two sets of these lines, one on the left and one on the right, providing space for students to practice writing the scripture.

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

# Week 1 Scripture Memory Handwriting Page for Older Students

John 1:1-3

In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things came into being through Him, and apart from Him nothing came into being that has come into being.

Handwriting practice lines for the scripture text. Each line consists of a solid top line, a dashed middle line, and a solid bottom line. There are 10 sets of these lines for the text.

Handwriting practice lines consisting of multiple rows of solid top and bottom lines with a dashed midline for letter height guidance.

## Week Two/Creation Day One: God Made Light; Day & Night

On Day One, God made light. He called the light “day” and the dark “night”.

**Genesis 1:1-5**

*In the beginning God created the heavens and the earth. The earth was formless and void, and darkness was over the surface of the deep, and the Spirit of God was moving over the surface of the waters. Then God said, “Let there be light”; and there was light. God saw that the light was good; and God separated the light from the darkness. God called the light day, and the darkness He called night. And there was evening and there was morning, one day.*

**Activity:** Color cover and fill out your Day One Booklet. Cut out all three pieces. To assemble, Cut out the white rectangle on the right side of the inside of the booklet. Slide the tab on the triangle through the slot in the booklet. Tape the tab to the back of the booklet. Glue the back of the booklet into the lapbook.

Day 1  
Day &  
Night

On the lines inside the booklet, write what God did on the first day of creation. For example, “On Day One, God created light.” or “Let there be light”

## Hands-On Fun with a Prism

Today we will use a prism to break up light into the colors that blend together to make light. Prisms are often made of glass, plastic, and fluorite. When you hold up your prism to the light so that light can pass through, it will disperse, or separate, light into red, orange, yellow, green, blue, and purple. You see, all those colors fit together to make white light that we see. Isn't that amazing? Light is made of waves. Each color of light has a different wavelength. The prism bends the lights and changes the lengths of the waves so that lights with different wavelengths leave the prism at different angles.

Sometimes, rain droplets in the atmosphere can act like a prism and make a rainbow in the sky. Have you ever seen a rainbow after the rain stops?

Use a prism to disperse or scatter the light so that you can see little rainbows.

Another fun thing to do is to use crystals from a chandelier. Or just watch the sun light stream through the little crystals on the chandelier and see all the little rainbows on the wall.

# Genesis 1:1-5

# Then God said, “Let there be light”

# Week 2 Scripture Memory Handwriting Page for Older Students

John 1:4-5 In Him was life, and the life was the Light of men. The Light shines in the darkness, and the darkness did not comprehend it.

Handwriting practice lines for the scripture text. The page features multiple sets of three horizontal lines (top solid, middle dashed, bottom solid) for writing practice. On the right side, there are four illustrations of lit candles, each with a flame, positioned vertically.

Handwriting practice lines consisting of multiple sets of three horizontal lines (top solid, middle dashed, bottom solid) for letter formation.

## Week Three/Creation Day Two: God Made the Sky

On Day Two, God created an expanse in the midst of the waters, separating the waters below from the waters above.

### Genesis 1:6-8

*Then God said, "Let there be an expanse in the midst of the waters, and let it separate the waters from the waters." God made the expanse, and separated the waters which were below the expanse from the waters which were above the expanse; and it was so. God called the expanse heaven. And there was evening and there was morning, a second day.*

**Activity:** Color in and fill out your Day Two Booklet. Cut out the water image, color it darker blue then paste it on the bottom of the right side of the inside of the booklet. Color the sky above the water lighter blue then cut the booklet out and glue it to the lapbook.

Day 2  
Water  
& Sky

On the lines inside the booklet, write what God did on the second day of creation. For example, "On Day Two, God created the waters and the sky."

Water Image:

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

## Hands-on Fun: Waters Separated

It seems like there was water everywhere and God decided to separate it. He separated the waters below from the water above.

Where is the water “below”?

Where is the water “above”?

The water below is the ocean and the water above is in the clouds. Wait what? It’s in the clouds? Yes!

The water in clouds is in a gas form as water vapor.

You see, water comes in three forms: Liquid (like the water you drink), solid (like ice cubes), and gas (like steam from a pot when somethings boiling).

## Hands-on Fun: Liquid-Solid-Gas

Water is made up of molecules. Each water molecule is made up of 2 hydrogen atoms and 1 oxygen atom. This is important to know because how these molecules are packed determines whether water is a liquid or a solid or a gas.

In a solid, molecules are packed tightly together and stay together. Ice does not change shape or volume.

In a liquid, molecules are less tightly packed so that they can move around and take the shape of it’s container. Water can fit in a tall thin glass or short wide one. Water loses its shape, but keeps its volume.

In a gas, the molecules spread way out and take the shape and volume of its container.

### Phases of Matter

## Hands-On Fun: Why Do Ice Cubes Float?

Pour water into a glass until it is half full. Add 5 ice cubes. What do you notice about the ice cubes?

Most substances are heavier when they are a solid than a liquid, but water is different. God made water to be unique and special so that fish can keep swimming in the oceans in the coldest of winters.

Try this experiment from KidsAnswers and discover for yourself why ice floats and why water is so special.

<https://answersingenesis.org/kids/science/science-experiments/h2ohhh-experiment-one/>

# Week 3 Scripture Memory Handwriting Page for Younger Students

Genesis 1:6-8

God made the expanse, and separated the waters

Handwriting practice lines consisting of solid top and bottom lines with a dashed middle line, repeated across the page.

# Week 3 Scripture Memory Handwriting Page for Older Students

John 7:37-38

Now on the last day, the great day of the feast, Jesus stood and cried out, saying, "If anyone is thirsty, let him come to Me and drink. He who believes in Me, as the Scripture said, 'From his innermost being will flow rivers of living water.'"

Handwriting practice lines consisting of multiple sets of solid top and bottom lines with a dashed midline for letter height guidance.

## Week Four/Creation Day Three: God Made the Land & Plants

On Day Three, God gathered the waters in one place and created land. He called the waters seas. He also created all kinds of plants.

### Genesis 1:9-12

*Then God said, "Let the waters below the heavens be gathered into one place, and let the dry land appear"; and it was so. God called the dry land earth, and the gathering of the waters He called seas; and God saw that it was good. Then God said, "Let the earth sprout vegetation, plants yielding seed, and fruit trees on the earth bearing fruit after their kind with seed in them"; and it was so. The earth brought forth vegetation, plants yielding seed after their kind, and trees bearing fruit with seed in them, after their kind; and God saw that it was good. There was evening and there was morning, a third day.*

**Activity:** Color the front cover of Panel 1. Cut out Panels 1, 2, & 3. Spread glue across the entire tab labeled Glue Here and stick the next panel onto that tab. Color and cut out the Water Image then glue it to the back of the strip you created, lined up to the left edge. Color and cut out the two Land Images. Glue Land Image 2 to the right side of the strip and Land Image 1 lined up on the left edge, overlapping the Water Image. Color and cut out the plants and glue them on the land. Glue the booklet to the lapbook with the square marked Glue Here down. Fold the strip back and forth on the fold lines. See the "Example" on page page 45.

Panel 1

## Hands-On Fun: Plant a Seed

Today, you will plant a seed in a clear plastic cup. First put garden soil in one or more clear plastic cups. This push your seed in, just a little below the surface. Sprinkle lightly with water and be sure to check your new seedling every day.

# MY CREATION WEEK LAPBOOK

# Week 4 Scripture Memory Handwriting Page for Older Students

John 15:5

I am the vine, you are the branches; he who abides in Me and I in him, he bears much fruit, for apart from Me you can do nothing.

Handwriting practice lines consisting of solid top and bottom lines with a dashed midline for letter height guidance. The page contains 10 sets of these lines, with a cluster of grapes and leaves illustration positioned on the right side of the page.

Handwriting practice lines consisting of multiple sets of three horizontal lines (top solid, middle dashed, bottom solid) for letter formation.

## Week Five/Creation Day Four: God Made the Sun, Moon, & Stars

On Day Four, God created the sun, the moon, and all the stars.

### Genesis 1:13-19

*Then God said, "Let there be lights in the expanse of the heavens to separate the day from the night, and let them be for signs and for seasons and for days and years; and let them be for lights in the expanse of the heavens to give light on the earth"; and it was so. God made the two great lights, the greater light to govern the day, and the lesser light to govern the night; He made the stars also. God placed them in the expanse of the heavens to give light on the earth, and to govern the day and the night, and to separate the light from the darkness; and God saw that it was good.*

*There was evening and there was morning, a fourth day.*

**Activity:** Color in and fill out your Day Four Booklet. Color in the Sun, Moon, and Stars, cut them out, then glue them into the Day Four Booklet. Cut it out and glue it to the lapbook.

Day 4  
Sun  
Moon  
Stars

On the lines inside the booklet, write what God did on the fourth day of creation. For example, "On Day Four, God created the sun, moon, and stars."

A large rectangular box with a thin black border. Inside the box, on the left side, there are seven horizontal black lines of equal length, spaced evenly apart, intended for writing.

## Hands-on Fun: Make a model of the Sun, Moon, and Earth

### Supplies:

Crayons

String

3 Brass Fasteners (Brads)

Paper Sun, Moon, and Earth on following pages

### Directions:

Color the sun below yellow, the continents on the earth picture below green, and the oceans on the same picture blue. Cut out the moon, the earth, and the sun pictures. Cut the string into a piece 18" long and a piece 9" long. Press a brad from front to back through the center of each picture. There is a circle to mark the spot. Tightly tie one end of each string onto the back of the brad through the earth. Bend the prongs of the brad loosely enough so that the strings can rotate around without slipping off. Tie the other end of the long string tightly onto the back of the brad through the sun and the short string onto the back of the brad through the moon. Bend the prongs of the brads loosely enough so that the strings can rotate around without slipping off. Turn all the pictures face up. You now can make the moon orbit earth and the earth orbit the sun. See the example on the next page.

# Week 5 Scripture Memory Handwriting Page for Younger Students

Genesis 1:13-19

God made the two great lights. He made the stars also.

Handwriting practice lines consisting of solid top and bottom lines with a dashed middle line. There are four sets of these lines on the left side of the page and one set on the right side.

# Week 5 Scripture Memory Handwriting Page for Older Students

Revelation 22:5

And there will no longer be any night; and they will not have need of the light of a lamp nor the light of the sun, because the Lord God will illumine them; and they will reign forever and ever.

Handwriting practice lines consisting of multiple sets of solid top and bottom lines with a dashed midline for letter height guidance.

Handwriting practice lines consisting of 18 columns. Each column contains a solid top line, a dashed middle line, and a solid bottom line.

## Week Six/Creation Day Five: God Made the Swimming & Flying Creatures

On Day Five, God created animals that swim in the sea and animals that fly in the air.

### Genesis 1:20-23

*Then God said, "Let the waters teem with swarms of living creatures, and let birds fly above the earth in the open expanse of the heavens." God created the great sea monsters and every living creature that moves, with which the waters swarmed after their kind, and every winged bird after its kind; and God saw that it was good. God blessed them, saying, "Be fruitful and multiply, and fill the waters in the seas, and let birds multiply on the earth." There was evening and there was morning, a fifth day.*

**Activity:** Color the front cover of Panel 1. Cut out Panels 1, 2, & 3. Spread glue across the entire tab labeled Glue Here and stick the next panel onto that tab. Color and cut out the first Water Image then glue it to the back of the strip you created, lined up to the left edge. Color and cut out the second Water Images then glue it next to the first Water Image. Color and cut out the sea creatures and birds then glue them in the air and sea. Glue the booklet to the lapbook with the square marked Glue Here down. Fold the strip back and forth on the fold lines.

## Hands-On Fun: Bird Watching

You will need binoculars for this activity and comfortable clothing. Be sure to bring water with you.

First walk around your neighborhood and notice all the birds that live there. You might want to visit a park if you think there will be more birds there.

Next it's time to use your binoculars to see the birds up close. I like to take along a Bird Guide so I can try to figure out which bird I am looking at.

I also like to take photographs of birds when I go bird-watching.

Now, you can make a field trip out of this activity by finding out where all the local birders go to bird watch and take a field trip there. In my neck of the woods, Merritt Island is the most popular place to go birding and you can find an amazing variety of species to enjoy.

# Week 6 Scripture Memory Handwriting Page for Older Students

Matthew 4:19-20

And He said to them, "Follow Me, and I will make you fishers of men." Immediately they left their nets and followed Him.

MY CREATION WEEK LAPBOOK

Handwriting practice lines consisting of multiple sets of three horizontal lines (top solid, middle dashed, bottom solid) for letter formation.

## Week Seven/Creation Day Six: God Made Animals & People

On Day Six, God created land animals and people.

### Genesis 1:24-31

*Then God said, "Let the earth bring forth living creatures after their kind: cattle and creeping things and beasts of the earth after their kind"; and it was so. God made the beasts of the earth after their kind, and the cattle after their kind, and everything that creeps on the ground after its kind; and God saw that it was good.*

*Then God said, "Let Us make man in Our image, according to Our likeness; and let them rule over the fish of the sea and over the birds of the sky and over the cattle and over all the earth, and over every creeping thing that creeps on the earth." God created man in His own image, in the image of God He created him; male and female He created them. God blessed them; and God said to them, "Be fruitful and multiply, and fill the earth, and subdue it; and rule over the fish of the sea and over the birds of the sky and over every living thing that moves on the earth." Then God said, "Behold, I have given you every plant yielding seed that is on the surface of all the earth, and every tree which has fruit yielding seed; it shall be food for you; and to every beast of the earth and to every bird of the sky and to everything that moves on the earth which has life, I have given every green plant for food"; and it was so. God saw all that He had made, and behold, it was very good. And there was evening and there was morning, the sixth day.*

**Activity:** Color the front cover of Panel 1. Cut out Panels 1, 2, & 3. Spread glue across the entire tab labeled Glue Here and stick the next panel onto that tab. Color and cut out the animals and people then glue them on the back of the strip. Glue the booklet to the lapbook with the square marked Glue Here down. Fold the strip back and forth on the fold lines.

Panel 1

## Hands-On Fun: Land Animals are so Funny!

Find photos of land animals in a magazine that you can cut out or find funny photos of land animals online and print them. Once you have all the pictures cut out, glue them onto a piece of construction paper to make a collage of all kinds of land animals.

# MY CREATION WEEK LAPBOOK

Panel 3

# Week 7 Scripture Memory Handwriting Page for Younger Students

Genesis 1:24-31

Then God said, "Let the earth bring forth living creatures after their kind" ... "Let Us make man in Our image, according to Our likeness...."

Handwriting practice lines consisting of solid top and bottom lines with a dashed midline for letter height guidance. The page contains four sets of these lines, with a cartoon illustration of three children in a garden on the right side.

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

# Week 7 Scripture Memory Handwriting Page for Older Students

1 John 3:2

Beloved, now we are children of God, and it has not appeared as yet what we will be. We know that when He appears, we will be like Him, because we will see Him just as He is.

Handwriting practice lines consisting of solid top and bottom lines with a dashed midline. The page contains 10 sets of these lines, with the final set on the right side of the page.

Handwriting practice lines consisting of multiple sets of three horizontal lines (top solid, middle dashed, bottom solid) for letter formation.

## Week Eight/Creation Day Seven: God Rested

On Day Seven, God rested from all His work creating the heavens and the earth. He also blessed the seventh day and set it apart.

The first week was completed and established for the rest of time. Sunday-Monday-Tuesday-Wednesday-Thursday-Friday-Saturday.

### Genesis 2: 1-3

*Thus the heavens and the earth were completed, and all their hosts. By the seventh day God completed His work which He had done, and He rested on the seventh day from all His work which He had done. Then God blessed the seventh day and sanctified it, because in it He rested from all His work which God had created and made.*

**Activity:** Color in and fill out your Day Seven Booklet. Cut out the image of Jesus and glue it into the booklet. Cut it out and glue it to the lapbook.

Day 7  
It was  
very  
good!

On the lines inside the booklet, write down why God rested on the seventh day of creation.

---

---

---

---

---

---

---

## Hands-On Fun: Resting & Sleeping Photos

This activity will require you to use a camera (you can use Mom's cell phone), but you have to be super quiet. You are going to take as many photographs as you can of people sleeping or resting. You can even take photos of animals sleeping or resting.

Print all your photos and put them in the "Photo Frames" on this page.

MY CREATION WEEK LAPBOOK

# Week 8 Scripture Memory Handwriting Page for Younger Students

Genesis 2: 1-3

He rested on the seventh day from all His work which He had done.

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

# Week 8 Scripture Memory Handwriting Page for Older Students

Hebrews 4:9-10

So there remains a Sabbath rest for the people of God. For the one who has entered His rest has himself also rested from his works, as God did from His.

Handwriting practice lines consisting of multiple sets of three horizontal lines (top solid, middle dashed, bottom solid) for letter formation.

# Scripture Memory Cards for Young Learners (Pre-School - Third Grade)

## MY CREATION WEEK LAPBOOK

### WEEK 1:

Colossians 1:15-17

He is the image of the invisible God, the firstborn of all creation. For by Him all things were created, both in the heavens and on the earth, visible and invisible, whether thrones or dominions or rulers or authorities--all things have been created through Him and for Him. He is before all things, and in Him all things hold together.

### WEEK 2 - DAY 1

Genesis 1:1, 3-5

In the beginning God created the heavens and the earth ... Then God said, "Let there be light"; and there was light. God saw that the light was good; and God separated the light from the darkness. God called the light day, and the darkness He called night. And there was evening and there was morning, one day.

### WEEK 3 - DAY 2:

Genesis 1:6-8

Then God said, "Let there be an expanse in the midst of the waters, and let it separate the waters from the waters." God made the expanse, and separated the waters which were below the expanse from the waters which were above the expanse; and it was so. God called the expanse heaven. And there was evening and there was morning, a second day.

WEEK 4 - DAY 3:

Genesis 1:9-11

Then God said, "Let the waters below the heavens be gathered into one place, And let the dry land appear"; and it was so. God called the dry land earth, and the gathering of the waters He called seas; and God saw that it was good. Then God said, "Let the earth sprout vegetation, plants yielding seed, and fruit trees on the earth bearing fruit after their kind with seed in them"

WEEK 5 - DAY 4:

Genesis 1:14, 16

Then God said, "Let there be lights in the expanse of the heavens to separate the day from the night, and let them be for signs and for seasons and for days and years; ... God made the two great lights, the greater light to govern the day, and the lesser light to govern the night; He made the stars also.

WEEK 6 - DAY 5:

Genesis 1:20-23

Then God said, "Let the waters teem with swarms of living creatures, and let birds fly above the earth in the open expanse of the heavens." ... and God saw that it was good. God blessed them, saying, "Be fruitful and multiply, and fill the waters in the seas, and let birds multiply on the earth." There was evening and there was morning, a fifth day.

WEEK 7 - DAY 6:

Genesis 1:24, 26

Then God said, "Let the earth bring forth living creatures after their kind; cattle and creeping things and beasts of the earth after their kind" ... Then God said, "Let Us make man in Our image, according to Our likeness; and let them rule over the fish of the sea and over the birds of the sky and over the cattle and over all the earth, and over every creeping thing that creeps on the earth."

WEEK 8 - DAY 7:

Genesis 2: 1-3

By the seventh day God completed His work which He had done, and He rested on the seventh day from all His work which He had done.

# Scripture Memory Cards for Older Learners (Third - Fifth Grade)

## MY CREATION WEEK LAPBOOK

### WEEK 1:

John 1:1-3

In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things came into being through Him, and apart from Him nothing came into being that has come into being.

### WEEK 2 - DAY 1:

John 1:4-5

In Him was life, and the life was the Light of men. The Light shines in the darkness, and the darkness did not comprehend it.

### WEEK 3 - DAY 2:

John 7:37-38

Now on the last day, the great day of the feast, Jesus stood and cried out, saying, "If anyone is thirsty, let him come to Me and drink. He who believes in Me, as the Scripture said, 'From his innermost being will flow rivers of living water.'"

WEEK 4 - DAY 3:

John 15:5

I am the vine, you are the branches; he who abides in Me and I in him, he bears much fruit, for apart from Me you can do nothing.

WEEK 5 - DAY 4:

Revelation 22:5

And there will no longer be any night; and they will not have need of the light of a lamp nor the light of the sun, because the Lord God will illumine them; and they will reign forever and ever.

WEEK 6 - DAY 5:

Matthew 4: 19-20

And He said to them, "Follow Me, and I will make you fishers of men."  
Immediately they left their nets and followed Him.

WEEK 7 - DAY 6:

1 John 3:2

Beloved, now we are children of God, and it has not appeared as yet what we will be. We know that when He appears, we will be like Him, because we will see Him just as He is.

WEEK 8 - DAY 7:

Hebrews 4:9-10

So there remains a Sabbath rest for the people of God. For the one who has entered His rest has himself also rested from his works, as God did from His.

MEREDITH CURTIS & LAURA NOLETTE

## Real Men Discipleship Manuals

God calls fathers to impart life to their sons, passing the baton in the race of faith. These Bible studies were created for fathers (or mentors) to go through this material with their sons. Pastor Mike Curtis used these materials to mentor his own son and other young men in the church. These manuals cover tough issues that fathers and sons need to talk about and live out in their lives.

## Real Men High School Bible/Life Skills

Do you want to prepare your sons to become godly husbands, fathers, church leaders, and pillars in their communities? These one-credit high school life skills classes build character and prepare young men for the future. Using living books, Scripture, and practical assignments, young men will learn to become the man God has called them to be.

## Maggie King Mysteries

If you like cozy mysteries, you will love this series! Meet Maggie King, a pastor's wife and homeschool mom who keeps stumbling across dead bodies. With her sidekicks, Sophia and Mary-Kate and her curious children, Maggie is on one adventure after another.

## About the Authors

Meredith Curtis, a pastor's wife and homeschooling mom of five children, leads worship, mentors ladies, and, sometimes, even cooks dinner. Her passion is to equip people to love Jesus, raise godly children, and change the world around them with the power of the Gospel. "Lives are changed in the context of relationships," Meredith often says, as well as, "Be a world changer! Raise world changers!" She enjoys speaking to small and large groups.

Laura is a homeschooling mom of four children, musician, painter, all-around crafter, and self-proclaimed computer geek. She loves to encourage women in their homeschool journey and walk with the Lord. Laura loves to teach science and math! She is the author of *Web Design 101*.

All inquiries can be made to the authors, Meredith Curtis and Laura Nolette, through emails: Meredith@powerlinecc.com or Laura@powerlinecc.com or contact them through their websites:

# Bible Study & Scripture Memory & Hands-On Fun

## What Could Be Better?!

Learn about the first week. The Creation Week was miraculous, exciting, and wonderful. Explore it with your children as you do fun hands-on activities, memorize scripture, and even practice handwriting.

At the end of this eight week Bible study your children will have a lapbook which they can proudly display to friends and family. These lapbooks can later be used to review the Bible lessons in the future.

Lapbooks can be a mom's best friend. Not only are they fun to make, but you create a fun and easy reference book to use for years ahead.

Meredith Curtis has graduated five homeschoolers and Laura Nolette has graduated four. They have the special joy of sharing three amazing grandchildren. In between homeschooling, raising children, working with other homeschoolers in their local church homeschool co-op, leading worship, and hosting a homeschooling conference Meredith & Laura have written *Make A Joyful Noise: Music 101* and *Celebrate Christmas with a Traveling Dinner*, *Unlocking the Mystery of Homeschooling High School*, as well as lapbooks about geography and astronomy.
