VOCABULARY FUN PRINTABLES

Every subject has its own vocabulary. These cheerful printables make learning new words fun.

There are 12 different pages; each with the same format (synonym, antonym, definition in own words, and write a sentence with the word in it)!

Print as many copies as you need for your own children.

Pretend Sally is studying health this year and has 10 new words to learn. Print 5 copies of the health Vocabulary Fun page so she can do all 10 words with these adorable worksheets.

Or Ralphie is reading a book and comes across 12 words he doesn't understand. Just print 6 of the literature vocabulary pages (or maybe he wants the sports page) and let him expand his vocabulary!

How To Use the Vocabulary Pages

Students write the word at the top of each section.

Next, students look the word up in the dictionary. Synonyms and antonyms are usually given in a good dictionary, but if not, use a thesaurus.

Student should read definition again and think about it. Then, student should write the definition in his/her own words.

Finally, your student should write a sentence using his/her new vocabulary word.

Enjoy!

Teach History the Fun Way

High School & Middle School

Real Men Discipleship Manuals

God calls fathers to impart life to their sons, passing the baton in the race of faith. These Bible studies were created for fathers (or mentors) to go through this material with their sons. Pastor Mike Curtis used these materials to mentor his own son and other young men in the church. These manuals cover tough issues that fathers and sons need to talk about and live out in their lives.

Real Men High School Bible/Life Skills

Do you want to prepare your sons to become godly husbands, fathers, church leaders, and pillars in their communities? These one-credit high school life skills classes build character and prepare young men for the future. Using living books, Scripture, and practical assignments, young men will learn to become the man God has called them to be.

Maggie King Mysteries

If you like cozy mysteries, you will love this series! Meet Maggie King, a pastor's wife and homeschool mom who keeps stumbling across dead bodies. With her sidekicks, Sophia and Mary-Kate and her curious children, Maggie is on one adventure after another.
