# Thornton Burgess Animal Stories

Class animal stories for reading aloud and reading on your own.  
(Elementary 1<sup>st</sup> – 6<sup>th</sup>)

*The Adventure of Paddy the Beaver* is just one of many books by Thornton Burgess. These stories introduce us to different animals with charm and quirks. Hidden underneath these delightful story lines is a wealth of information about animals. They are wonderful books for young readers and great read-alouds for science unit studies.

Here are the animal stories that Mr. Burgess wrote. They are lovely books. Search high and low for them until you find them. He also wrote about Old Mother West Wind. Those are fun reading, too.
