Boxcar Children Series

A great series to read after finishing phonics readers, when ready for the first chapter books to Become a Strong Reader.

(Elementary 2nd – 5th)

Gertrude Chandler Warner died in 1979, so the books written after her death are not written by her, but I did include several written after her death to show you that the series continued. I recommend the ones written by her and the earlier ones written after her death. My kids loved these books!
