CHILDREN'S BIBLE VERSE MEMORY CARDS

Here is a helpful tool to help your children memorize Bible verses. There are sixteen different Scripture verses that are short and easy for children to memorize.

There are 16 different Bible Verse Cards in black & white and color.

How to Use Bible Verse Memory Cards

Use Bible Verse Memory Cards to Memorize Scripture

1. Print the verse cards and laminate them.
2. Choose a verse
3. Read the verse aloud together several times from the card
4. Talk about the verse and what it means
5. Say the verse together every morning (first read from card and then try to say it without looking at card)
6. Put the Bible Verse Memory Card in a place where you'll see it everyday
7. Copy the verse once or twice a week (if child writes)
8. Put hand motions to the verse
9. Pray the verse or speak it to others

Today you will copy your passage on the next page. Feel free to copy it several more times this month on notebook paper. Or to type it up on the computer.

Writing and speaking the passage aloud helps it to stick in your memory!

God Bless you!

God's Girls Bible Studies & High School Electives

Real Men Discipleship Manuals

God calls fathers to impart life to their sons, passing the baton in the race of faith. These Bible studies were created for fathers (or mentors) to go through this material with their sons. Pastor Mike Curtis used these materials to mentor his own son and other young men in the church. These manuals cover tough issues that fathers and sons need to talk about and live out in their lives.

Real Men High School Electives

Do you want to prepare your sons to become godly husbands, fathers, church leaders, and pillars in their communities? These one-credit high school life skills classes build character and prepare young men for the future. Using living books, Scripture, and practical assignments, young men will learn to become the man God has called them to be.
