# How to Use Homeschool Joy Tips

The purpose of this book is to encourage homeschool moms and children in the Lord.

Here are some different ways to use Homeschool Joy Tips.

- Read 1 tip a day each morning for the first weeks you are back-to-school
- Read 1 tip a day to your children each morning and discuss how to apply the tip
- After you and the children finish reading through all 31 tips, come up with 10 of your own tips. Your children might surprise you.
- Read 1 tip each morning and let one of the children come up with a story to illustrate the tip.
- Read 1 tip each morning and come up with an example of how you are following the tip in your home.

Be encouraged and have a joyful, successful year! 😊 😊 😊
